M. No. 4545-7 (c) - To consider the transfer of L. R. O.'s power in fishery cases to Fishery Officer from 10-12-47.

In view of the heavy work of Land Revenue collection in the few months to come, the Council consider it desirable to relieve L. R. O. of the additional work on account of fishery, which was delegated

to him recently. Sgt. M. Radheshyam Singh, the Fishery Officer be authorised to exercise power relating to the fisheries only which was previously exercised by the L. R. O.

In anticipation of H. H.'s sanction action may be taken forthwith.

H. H.'s command's vide Memo No. 1449 P-1-1 of 17-12-47.

C. E. No. 4

Approved temporarily for the part of the starting times of this year on the distinct understanding that the Fishery Officer cannot claim as of right. It will be on merits, any future vacancy of superior post in the Revenue Department on the ground of his work exceeding the powers of the L. R. O. since it might become a cause of controversy among the officers in future. It would do well if he were given powers on certain specific limited grade of accounts of money in respect of revenue etc. It will be the careful scrutiny of the Revenue Minister to see that none of revenue should be done with the concurrence of the Revenue Minister and the Council as it affects State Finance.

However, the Fishery Officer should be encouraged if his works are satisfactory and in the large interest of the State.

Council Resolution No. 10 (b) of 7-1-48.

I am of the strongest opinion that the School authorities, with their usual self sacrificing spirit will return the land when expansion of the College so demands and when our cherished hope of the University be started there.

Rice	Rs. 2/- per moun.

Approved by H. H. under Memo. No. 2574-P. 1-1 dt. 20-2-48.

H. H. H.

Asst. to Chief Minister

Finance Minister's Report.

Memo. No. 1800 PT/V-II dated 14th Feb. 48

Chief Minister.

It is now possible to revise the rate of Cart Tax in view of the revised rates of prices and the rates per moun.

making recommendations. He proposes the following rates of Cart Tax.

Changes by this proposal reduce the Cart Tax as follows.

1. Cloth — Rs. 2/- per md.
2. Chillies — Rs. 4/- "
3. Rice — Rs. 2/- "
4. Lead, Copper and Bell Metal in lump or Scraps or manufactured — Rs. 5/- "
5. Brass and Aluminium in lump or Scraps or manufactured — Rs. 2/- " in addition to com.
6. Other Metals in lump or Scraps or manufactured — Rs. 1/- "
7. Timber — Rs. 4/- per cubic foot.
8. Other Goods — Rs. 1/- per md.

Cloth — The current rate of Cart Tax on cloth is Rs. 2/-; in consideration of present value of cloth which is approximately Rs. 200/- and upwards per md. Rs. 2/- per md. as Cart Tax is reasonable.

Chillies — The difference in prices between this State and neighbouring districts leaves a good margin of profit for the exporter. Cart Tax on this commodity is Rs. 4/- per md. even when the rate was Rs. 2/- per md. on other goods. The former rate of Cart Tax is retained.

Rice — In view of the comparatively low price of rice in the State and the price of this rice outside the State Rs. 2/- per md. as Cart Tax is justified.

Lead, Copper & Bell Metal — These metals carry good prices. They are found in Military Salvage and are collected at a profit. So the exporter has chance of making good profits from them. So Rs. 5/- per md. as Cart Tax is not high.

Brass & Aluminium — Shell cases of the recent wars were lying in heaps in the operational area of the State. These are found from various sources. As they are collected at a profit, they fetch maximum profit to the exporter of Military Salvage. So a

rate of Rs. 4/- per md. in addition to Cart Tax when it was Rs. 2/- only per md. was levied on them. So Cart Tax at Rs. 2/- per md. plus com. Rs. 4/- per md. is justified.

Timber — For Cart tax purposes two cubic feet of timber are assumed to weigh one md. approximately. The value of timber is about Rs. 4/- per cft. Registry is levied by the Forest Dept. on the timber on the way of being exported. No very narrow margin of profit is left to the exporter. So Rs. 4/- per cft. as Cart tax is reasonable.

S. K. M. Singh,
Finance Minister (Tax),

The 6th May, 45.

COUNCIL RESOLUTION No. 1 of 4-5-45.

M. No. 3250-(c) — The Council has con-

sidered the circumstances and correspondence leading to the grant of temporary lease of 800 pairs in Lamphel for one year. It is the previous Darbar who granted the lands for 5 years. The present Council with the approval of H. H. the Maharajah reduced the period and granted only one year temporary lease (i. e. the lease shall expire after the next harvest) in consideration of the cultivators' labour and expense.

In pursuance of the Council resolution referred to above the cultivators have already made their respective lands fit for cultivation by clearing and ploughing. In the circumstances the Council cannot see its way to revoke its above resolution unless the parties themselves make an amicable settlement now that the two parties are resorted to hunger strike for diametrically opposite objects. The Council earnestly wish that better sense will come to those who are resorting to hunger strike and they try to tend to arrive at a settlement between themselves for which the Council on its part has been trying and will try ever more. The Council further wish to make it known that they have no axe to grind in the matter and no interest whatsoever except that the two parties.

P. B. Singh,
Chief Minister.

NOTICE

MINNESOTA STATE ASSEMBLY ELECTIONS, 1944

No. 1275-22--If any person stands as a candidate from a constituency other than the one in which he is enrolled as a voter, he is requested to get down in the space provided in the nomination paper for putting down his number in the electoral roll, also the name of the constituency in which he is enrolled as a voter.

II.

State servants and others debarred under rule 2 (i) of the Minnesota State Election Rules from standing as candidates, who are seeking election on the nomination of their jobs, will have to satisfy the undersigned on the date of scrutiny of nomination papers, with documentary evidence of the acceptance of their resignations, from the competent authority.

State pensioners who may surrender their pensions for seeking election, will also have to produce similar documentary evidence from the competent authority on the said date, of their having surrendered their pensions.

III.

Some candidates are submitting photos (with their nomination papers), in which a picture of their chosen symbol is inset. I would like to advise them not to do so. There is no guarantee that a symbol chosen by the candidate will be assigned to him. In the case of two candidates from the same constituency choosing the same symbol, the symbol to be assigned to a particular candidate, will if necessary, be determined by lot.

As a photo of the candidate will have to be affixed on each of his ballot boxes, kept at different polling stations within the constituency from which he stands, each candidate whose nomination paper is accepted will be required to supply the required number of his photos within five days from the date of such acceptance. The required number of additional photos thus required, will not exceed eleven. A candidate who wishes to avoid visiting the Returning Officer's Office again for the submission of the additional photos, may bring them along with him on the date of scrutiny and submit them to the Returning Officer after the acceptance of his nomination paper. Candidates whose nomination papers are rejected and who like to prefer appeal against the rejection (by the Returning Officer), will also be required to submit the additional photos within 4 days from the date of such rejection. They may also submit the photos on the date of scrutiny, which may be returned if the appeal is disallowed.

Returning Officer, Minnesota State
Assembly Elections, 1944.

GOVERNMENT OF MANIPUR

ORDERS BY HIS HIGHNESS

PART II

The 24th May, 48.

COUNCIL RESOLUTION No 8 of 5-5-48.

No. 7964-8 (c)—To reconsider C. E. 8 of 18-5-48 (Part II) along with report of Secretary D. M. College taking over the College by the

of the resolution No. 8 of 25-5-48 on the College Governing Body. As popular responsible govt. who must be expected know enough about the best interests of college and the general public will be being shortly, the State Council has any reason why the Governing should impose the conditions (d) (e). In the interest of the College Council is of opinion that the college be over by the State without the conditions imposed to above.

Resolved that this resolution be published in the

H. H.'s commands, vide Memo No. 8701 P. L. L. 44. 12-5-48 --

With all the strenuous efforts of private enterprise of several years and despite of the donation of dowager Maharani this College could never come into being.

It was only when the State out of public interest took up the work by placing the whole responsibility in the hand of some nominees of the State like Mr. Bhatnagar, Mr. Singh B. A. as deputed by Mr. Lyall, the then P.M.S.D. that the College could see the light. I long felt the need of a State College as the absence of such a one in a Sovereign State is quite derogatory to my prestige. I was glorying in it so long. Hence my frequent writing to the Council for the safeguard of its interest. But now I cannot bear any idea of its having a inevitable death for want of State's obligation to the people in respect of education which in these days should take precedence over anything else. It is essential papers to the ends of good government. Though I justly grieve against any expenditure

of the State in other matters, in this respect of the State College I shall not propose any expenditure. I fully appreciate Council's decision as to taking over the only College in the State.

Assuredly Universities will keep more confidence and be more willing to throw open all possible facilities to a State College rather than to a private one and consequently its progress will be quicker. The State is legally bound to its interest and any condition about its being made over to the State is well-unsatisfactory. Naturally the name of the College should remain the same.

It should be taken over by the State run departmentally with its servants abiding by the University regulations and State rules and the personnel of the present Governing Body will be relieved by the representatives selected in accordance with C. R. No. 16 of 27-11-47 which was based on the special proposal of Education minister.

C. R. No. 10 (2) of 19-5-48.

To reconsider C. R. No. 9 of 5-5-48 in the light of H. H.'s comments, vide Memo No. 2701 P. I. 1. dt. 13-5-48.

Moirang Constituency may be termed a
Hill constituency for the Hillman and as such
the extension granted in other hill constitu-
cies is to be extended to this constituency also.
To disallow extension to the said constituency
means deprivation of the right of Hillman
whose names were not entered in the electoral

extension to Moirang Constituency. Appeal
allowed. We thus order that the uncontested

R. Khathing,
I/c Home Minister, Manipur State Council.

I am directed to forward for your information and guidance a copy of the correspondence noted in the margin, regarding the procedure for extradition, service of summons and execution of commissions

1. Letter No. 3735-VI-873-47, dated 12th November, 1947, from Secretary to the Government of U.P. to the Govt. of India, Ministry of Home Affairs.

2. Letter No. 74-4-47 Public(S), dated 10th January 1948, from the Government of India, Ministry of Home Affairs, to the Govt. of U.P.

3. Letter No. P. 22-1/47-OS.V(P.K) dated 10th March 1948 from Government of India, Ministry of External Affairs and Commonwealth Relations, to all Provincial Govts. etc.

between the Dominion of India and
(i) States which have acceded to an Indian Union and Hyderabad.

(ii) Pakistan and its acceding States

(iii) Nepal.

2. The Premier State Council may please be informed of the above orders.

Copy of letter No. 3735-VI-873-47, dt. the 12th November, 1947, from the Secretary to the Government of United Provinces to the Secretary to the Government of India, Ministry of Home Affairs, New Delhi.

Extradition procedure.

I am directed to request the instructions of the Government of India regarding the procedure which should be followed, in view of the lapse of Paramountcy, in regard to the extradition of accused between the Indian Dominion and

- (i) Indian States which have joined the Indian Dominion,
- (ii) Indian States which have joined the Dominion of Pakistan,
- (iii) Indian States which have not so far joined either of the two Dominions or may not join either Dominion at all,
- (iv) The Dominion of Pakistan, and
- (v) Nepal.

3. In this connection I am to invite a reference to the observations made in paragraph (i) of Memorandum No. P.17 (12)-12/47, dated July 24, 1947, from the Secretary to H.E. the Crown Representative to the Residents of various Indian States etc. which reads as follows :

" Provided States agree, extradition from States can be arranged directly between the State and Province concerned" and to inquire if any arrangements have been agreed upon with the Indian States are proposed in that Memorandum. In the view of the Provincial Government such arrangements should be subject of all-Indian policy rather than for individual adjustment between the different provinces and states.

4. Paragraph 3(ii) of the same Memorandum directs that as section 7 of the Indian Extradition Act is no longer operative, Indian States may now make use of section 9 of the Act. This requires that requisitions for extradition should be made to the Provincial Governments, while under section 7 extradition warrants could be sent direct by Political Agents to the District Magistrates concerned. The latter procedure was more expeditious and avoided the bottleneck of all communications regarding extradition proceedings having to pass through the Provincial Government.

5. I am now to invite attention to paragraph 2 of letter No. P.24-R (5/47, dated April 5, 1947, from the Secretary to H.E. the Crown Representative, Political Department, to all Provincial Governments which requires that correspondence with Indian States shall be carried on by the Secretariats of the Provincial Government. This procedure in extradition matters will inevitably result in great delay, and in the opinion of the Provincial Government, it would be advantageous to allow the State authorities to correspond direct with the District Magistrate and Vice versa, on all extradition matters. If in any particular case, the District Magistrate of the State concerned holds that there are not sufficient grounds for the extradition of a particular accused he may be taken up with the Provincial Government.

Similarly in the opinion of the Provincial Govt, the procedure laid down in the Act of April 17, 1947, should not be applied to correspondence regarding the service of summons on witnesses in criminal cases and the execution of commissions issued by criminal courts in Indian States (section 21 of the Indian Extradition Act, 1908). In this case also direct correspondence between the State authorities and the District Magistrate concerned may be allowed.

I am to request that early instructions in the matter may please be issued, and since a uniform procedure is not followed in respect of all States, I am to request that instructions may be issued regarding the procedure to be followed with each one of States mentioned in paragraph 1.

Copy of letter No. 75/2/47- Public(5) dated the 28th January, 1948, from the Government of India, Ministry of Home Affairs, to the Secretary to the Government United Provinces, Home Department (Criminal), Lucknow.

Extradition procedure.

I am directed to refer to your letter No. 2734/VI-273-47, dated the 13th November 47 and to reply as follows to the question raised therein.

(i) States which have acceded to Indian Union & Hyderabad.

In the case of the States which have acceded to the Indian Union and of Hyderabad, section 7 of the Indian Extradition Act, 1908, under which extradition was being arranged before the transfer of power has become inoperative owing to the disappearance of political Agents and the best course would, therefore, be to follow the procedure laid down in section 7 of the Act, pending suitable amendment of section 7.

(ii) Pakistan and receding States.

As regards the dominion of Pakistan and the States which have acceded to that dominion, the Government of India have taken up with the Government of Pakistan the question of a suitable procedure for extradition. Provincial Governments will be advised of the procedure as finally agreed upon between the two Governments.

(iii) India and Nepal.

In regard to extradition arrangements between India and Nepal the procedure hitherto subsisting should be continued. This has not been affected in any way by constitutional changes.

(iv) Service of Summons and execution of Commissions.

With regard to this point, raised in para 2 of your letter, I am to say that the execution of commissions issued by criminal courts outside the provinces of India is regulated by section 21 of the Indian Extradition Act, which applies the relevant provisions of the Code of Civil Procedure viz. Part III of the Code read with Order XXVI of Schedule I thereto. This procedure does not contemplate direct correspondence between the State authorities and the District Magistrate concerned. Where the commissions are issued at the instance of foreign tribunals the procedure described in Rules 19 to 21 of Order XXVI will apply. In all such cases the High Court has got to be moved and the relevant letter of request issued by the foreign court is to be brought before the High Court in the manner contemplated in clauses (a) and (b) of sub-rule (2) of rule 19 of the Order. The procedure for the return of the commissions will be as in rule 19 of the said Order. Rule 19, however, does not apply to the courts referred to in clauses (a) and (b) of section 21 of the Code. In the case of such courts, direct communication between the courts concerned appears to be contemplated by section 21 read with Order XXVI of the Code. Therefore, where section 21 of the Act applies, the procedure prescribed thereunder as regards the service and return of commissions should be followed and not some other procedure. I also point out that for dealing with commissions for the examination of witnesses issued by criminal courts in the Provinces of India (when those witnesses reside in

Copy of letter No. F.23-1/47-OS, V (PAK), dated the 10th March 1948, from Government of India, Ministry of External Affairs and Commonwealth Relations, to all Provincial Governments and C.I.F. Commissioners.

Extradition of Fugitive Offenders from Pakistan to India and vice versa under the Fugitive Offenders Act, 1951 procedure.

I am directed to say that the Government of India are advised that extradition of offenders as between the Dominion of India and Pakistan, which form part of His Majesty's Dominions, will be regulated by Part I of the Fugitive Offenders Act of 1951 read with Section 19 of the Indian Extradition Act, 1903, which by virtue of an Order-in-Council dated the 7th March 1954 is to be recognised and given effect to, throughout His Majesty's Dominions, as if it were part of the Fugitive Offenders' Act, of 1951. The following procedure for the extradition of fugitive offenders from Pakistan to India should accordingly be followed.

The Provincial Government should send to the Government of India for transmission to the Central Government of Pakistan, warrants with duly authenticated copies of depositions and other documents on which they rely to prove that there is a strong and probable presumption that the fugitive committed the offence mentioned in the warrant. The depositions, warrants and documents should be authenticated in the manner provided in Section 22 of the Fugitive offenders' Act, 1951. The Government of Pakistan, on being satisfied that the warrant has been issued by some person having lawful authority to issue it, will then take action under the Act, after the completion of proceedings the Pakistan Government may then order that the fugitive offender be conveyed and produced before the Court in India which issued the original warrant.

The Government of Pakistan have agreed to the procedure outlined above and are issuing similar instructions to the Provincial Governments in the Pakistan in this regard.

OFFICE OF THE CHAIRMAN, ELECTION TRIBUNAL N.S.

Election Case No.2 of 1948-49.

(The exact copy of the petition filed by the plaintiff).

Re Election Tribunal, Manipur State Assembly Election 1948.

Khamukham Kuber Singh of Changangai, a candidate of Malen Constituency No.8 Petitioner.

Vs.

(1) Tannan Nagho Singh of Malen Talukmal a candidate of Malen Co constituency No.8. (2) Naoban Chacha Singh of Lamjantakha, a candidate of the Co Constituency No.8.

The humble petition of the above named petitioner praying for favour of your kindly setting aside the election of No.1 defendant as the M.L.A. of the Constituency on the grounds submitted below.

respectfully sheweth:-

The plans of the petitioner for the election campaign having been materially affected by the undue influence of the above named rival candidates with the result of the election by issuing of leaflets and other means. The petitioner in accordance with the rule laid down for a election, I have been to the court this humble petition to the Election Tribunal with the earnest request for any relief may kindly be accorded to the petitioner by causing by-election to be by disqualifying the aforesaid election candidate on the following, among other grounds.

But but for the corrupt practice or breach of rule or law committed by the defendant the petitioner would have been declared duly elected.

but under rule 46 (1) of the Manipur State Election Rules the defendant's committed offence by having leaflets distributed amongst a large section of men and women (copy enclosed) which exercised a strong adverse effect on the voters concerned. The pernicious effects as produced by the leaflets are making the law into his own hands he has led to the local people and deprived them of their electoral rights. In the State Rules there is no specified arrangement for demarcation of women's voting and men's voting. But in this leaflet he is making the demarcation as will be clear from the dates appointed therein. The State Rule is that the time limit for presentation of votes is 8 A.M. to 5 P.M. he declares that it will be from 1 A.M. to 5 P.M. causing thereby a loss of one whose value in election is beyond description. This also appears to constitute a crime.

he term "Irungi Panjail" have a far reaching or bewildering psychological effect on the public which may on the one hand cover the activities of the whole constituency or which only the Budhamanjuri Girl School is the only polling station which is really not.

his expression of "Khara Lappagi Khari Langjeri" again affects the position so that the ordinary men and women who are quite unacquainted with election matters and waiting for the vehicles in vain, failure of whose presence deprived a major part of the people of their electoral right.

but under rule 42 (I)-42(II) and 44(I) of the Manipur State Election Rules the defendant No.2 has committed an offence by intentionally interfering with one's free will of giving votes.

but though this leaflet is signed by defendant No.2 Naoban Chacha Singh, it is through collective action between themselves since they belong to the same party and themselves to have their voters merged or totalled in the event of petitioner's candidature in order to defeat the petitioner.

but according to this unauthorized and objectionable leaflet the major portion of women and simple villagers did not turn up to Budhamanjuri Girl School, polling station No.22, Khamukham Kuber Singh give votes, on the plea that it might be the following day, the 26th of June on which in reality there would be no polling in the station.

but under rule 41(II) of the Manipur State Election Rules No.1 defendant committed offence by entertaining a feast to induce votes.

but under rule 42(II) No.1 defendant committed an offence by having a notice board of paper being put up through Thaksham Sonakanto Singh and some others of the village for road blockade which greatly affected the petitioner's position. In these circumstances the petitioner prays that relief may kindly be given to him.

The petitioner stood as a candidate not on his initiative but at the instigation of a large number of men of the constituency with their full confidence reposed in him for the interest of the people and as such the petitioner had full hope of success but the actions of the rivals as aforesaid have disposed otherwise of him. The petitioner hopes fully trusts that the authorities concerned will kindly protect his civil rights.

Early action may kindly be taken. Necessary fees for this complaint will be deposited as required. For this act of kindness the petitioner as in duty bound will ever pray.

Dated, 21/7/48
Imphal.

Yours faithfully,
Sd/ Khumukcham Kuber Singh, of Chingmei.
A candidate of constituency No. 2, Maibam.

OFFICE OF THE CHAIRMAN, ELECTION TRIBUNAL N.E.

Election Case No. 2 of 1948-49.
(The true copy of the petition filed by the plaintiff).

To
The Chairman, Election Tribunal, Manipur State.
Election petition No. of 1948.
To challenge an election of No. 24 Lilong Constituency of Manipur State Legislative Assembly.

Puthranbam Atayama Singh, Candidate petitioner.
Versus

(1) Alimuddin Candidate Respondents.
(2) Aranbam Kala Singh

The humble petition of the petitioner aforesaid most respectfully sheweth:-

(1). (a). Your honour's humble petition is a candidate for election to the Manipur State Legislative Assembly and is entitled to file a petition under the law. Your petition claims that he would have been elected had the votes of No. 1 respondent been counted with the white voting papers which is meant for general and had the No. 2 respondent been disqualified being an undischarged bankrupt and being guilty of corrupt practice.

(b) That the election for the said constituency was held on the 16th and 17th June 1948, the counting of votes was done on 9th July 1948 with the following result :-

1. Alimuddin	General	280 invalid.	Muslim 1192 valid.
2. Aranbam Kala Singh	"	1008 valid.	" 108 invalid.
3. Puthranbam Atayama Singh	"	1062	" 137 Valid.
4. Karam Naimak Singh	"	"	Number of votes polled 4385 G. 4385 M.
5. Puyen Ithohi Singh	"	"	
6. Wangjam Khendon Singh	"	"	

2. That your humble petitioner asserts that the election of No. 1 respondent is void and is liable to be set aside on the following grounds :-

That No. 1 respondent was declared to have obtained highest votes amongst general candidates of the aforesaid constituency by Returning Officer on the strength of Muslim votes which is quite contrary to the rules in force in the State and No. 1 respondent has been nominated as a General candidate of the aforesaid constituency. Your humble petitioner is quite at a loss to understand why No. 1 respondent should top the list General candidates when he has secured only 280 general votes. Vide Rule No. 2 (iv) the rules for the guidance of Presiding and Polling Officers for the Manipur State Assembly Election.

3. That your humble petitioner asserts that No. 2 respondent be disqualified on the following grounds :-

(1) That respondent No. 2 was detained in the Manipur State Jail for inability to pay State dues concerning No. 125 Fishery Kingthibakhang in 1943. His properties were sold in auction for realisation of the State dues. It is said that about Rs. 75,000/- (Seven five thousand) on account of the aforesaid fishery is still outstanding against respondent No. 2. Further it is said that about Rs. 6,000/- income tax outstanding against respondent No. 2 was written off on grounds of insolvency vide Rule No. 3(v) of the Manipur State Election Rules 1948.

(2) That 1. Motam T. Jemai Singh, 2. Kherangbam Yama Singh, 3. Motam Gopalchandra Singh, 4. Kherangbam Yama Singh, 5. Yama Chandra Singh, 6. Pamen Tumbi Singh and 7. Kherangbam Ithohi Singh of Chiding village lodged a complaint with the Returning Officer on 16th June 1948 against No. 2 respondent and Kherangbam Kala Singh and Motam T. Jemai Singh for offering a bribe of Rs. 6,000/- by respondent No. 2 through Kherangbam Ithohi Singh and Chama Tumbi Singh for inducing voters to vote for him. The Returning Officer on 16th June 1948 directed the voters to vote for respondent No. 2.

your humble petitioner prays to
that the election of No. 1 Respondent be set aside,
and that Respondent be declared disqualified.

The petitioner be declared duly elected Member for No. 13 Thanga Kumbi
constituency of Manipur State Legislative Assembly, and may be declared disqualified being an undischarged bankrupt
being guilty of corrupt practices.

The 19th July, 1948.

By Waghun Singh of Baktapur.

T.S.O.S.

By Atayama Singh.

I, the above named petitioner certify that the above details written in the
list are true to the best of my knowledge and belief and I sign the verification
of the 19th July, 1948 in the shed of the peti-writer.

By Atayama Singh.

OFFICE OF THE CHAIRMAN ELECTION TRIBUNAL N.S.

Election Case No. 4 of 1948-49.

(The court copy of the petition, filed by the plaintiff).

The Chairman Election Tribunal, Manipur State.

Election petition No. of 1948, to challenge an election of No. 13 Thanga Kumbi
constituency of Manipur State Legislative Assembly.

Waghun Singh Thangla Singh candidate of Thanga Petitioner,

Verus

Waghun Singh Thangla Singh candidate of Kumbi Respondent.

The humble petition of the aforesaid petitioner, most respectfully sheweth :-

a) Your honour's humble petitioner is a candidate for election to the Manipur State
Assembly and is entitled to file a petition under the law.

That the result of the election has been materially affected by the irregularities
the officials on duty at the Polling Station, by the non-compliance with the provi-
sions of the rules of the Manipur State Election Rules 1948 and the Rules for the guid-
ance of the Presiding Officer and Polling Officers for the Manipur State Assembly
election and blocking of waterways to Thanga due to storm.

That the election for the said constituency was held on the 23rd and 24th June,
1948, the counting was done on the 7th July 1948 with the following result:-

1. Waghun Singh Thangla Singh	1499 Votes.	Number of votes 3279.
2. Waghun Singh Thangla Singh	1223 ..	
3. Singh Krishnamohan Singh	546 ..	

That your humble petitioner asserts that the election of the respondent is void and
liable to be set aside on the following grounds :-

That irregularities occurred on the 24th June 1948 at No. 41 Polling Station at the
village of Thanga Kumbi constituency. (1) Constable Waghun Singh Thangla
who was on duty at the entrance of the Polling Station, openly told the voters
drop their ballots in the box bearing the symbol of KUMBI. On the pretext of your
petitioner to the Presiding Officer, the said constable was transferred to another
station. (2) A large number of voters were not allowed to cast their votes by the Presi-
ding Officer for discrepancies due to clerical mistakes, though they were identified
the village Chokidar, violating rule No. 22(i) and (ii) of the Manipur State Election
Rules 1948 and Rule No. 11 (ii) of the Rules for the guidance of Presiding Officers and
Polling Officers for the Manipur State Assembly Election.

That at the conduct of the Presiding Officer, a large number of voters began to make
being demonstration outside the Polling Station. At about 8-10 p.m. the Presiding
Officer called to the Polling Station more than three hundred voters who were standing
outside and allowed them to cast their votes at a snail's progress, after putting them
various unnecessary questions and thus after recording the votes of about twenty
voters, he turned them out as the time for voting was over. When your humble petitioner
requested him to allow the remaining voters to record their votes, as the voters had
been continuously giving their votes. The Presiding Officer said that he had given fif-
teen minutes after the scheduled time and he could not extend further, and violating
rule No. 22 (v) of the Manipur State Election Rules 1948. Thus more than three hundred
voters who would cast their votes in your petitioner's favour, had been deprived.

That on the 24th June 1948, due to storm, waterways to Thanga were blocked by water
and made it impossible for more than eight hundred voters of Thangla Kumbi,
village and hamlet to come to Thanga to record their votes. The blocking of water-
ways was shown to Sjt. Radhakrishna Singh, Presiding Officer of the
polling station No. 41, by your humble petitioner. Majority of the voters of the afore-
said constituency cast their votes in favour of your humble petitioner, and there-
fore a large number of their locality, they could have cast their votes.

That the irregularities mentioned above and non-compliance rule No. 22(i) and (ii)
of the Manipur State Election Rules 1948 and rule No. 11 (ii) of the Rules
for the guidance of Presiding Officers and Polling Officers for the Manipur State Assembly Election

by the Presiding Officer of polling station No. 30, had actually collected the result of the election and had actually turned the scale in favour of the respondent. But for these irregularities, the respondent would not have secured the majority of votes. That your honour's humble petitioner has deposited a sum of Rupees two hundred to the State.

IV. Therefore your humble petitioner prays :-

1. That the election of the respondent be set aside and declared void.
2. A fresh election be ordered to be held.
3. Costs of the petition be awarded.

Versus

Irem Mara Singh, Jaire candidate of Kokubai Respondent.

The humble petition of the petitioner, aforesaid most humbly sheweth :-

I. (a) Your honour's humble petitioner is a candidate for election to the Manipur State Legislative Assembly and is entitled to file a petition under the law.

That but for votes obtained for the respondent by corrupt practices, the petitioner would have obtained a majority of valid votes.

(b) That the election for the said candidate was held on the 16th and the 17th of June 1948. Due to the fault of the Presiding Officer, the Polling Station No. 30 Leisangthou of the same constituency was reopened on the second and third July 1948. The counting of votes was done on the 7th July 1948 with following result :-

1. Irem Mara Singh, Jaire	1963	valid	204	invalid	
2. Ningthoujam Tomhau Singh	1785	"	194	"	
3. Sulaman Miya	1321	"	107	"	
4. Haji Sangai Miya	1138	"	104	"	
5. Wahab Miya	734	"	73	"	
6. Gani Miya	472	"	90	"	
						NUMBER OF VOTES POLLED 6,120.

II. That your petitioner asserts that the election of the respondent is void and is liable to be set aside on the following grounds :-

1. That the respondent came along with Irem Angaw Singh, Keisam Ibomcha Singh, Naidon Thonhou Singh, Naidon Amayama Singh of Thoubai Leisangthou and Thoudon Khondon Sing Choudhider of Thoudon Basti, to the mansion of Iphasapatinayam Raja Barua at Leisangthou on 1st June 1948, at about 4 p.m., where the villagers were congregating for "Lairikiba" and offered Rupees two hundred, by placing it before the assembled villagers and having them and requesting them to give votes in favour of the respondent at the election for Manipur State Legislative Assembly and thus the respondent who is a candidate himself committed the corrupt practice of offering bribe to secure his votes. Leaving them Iphasapatinayam Singh one of the village elders present took the money after counting it. "Lairikiba" Ason Tajamni Singh of Khokma Basti, "Lairikiba" Leisangthou Keli Singh, Leisangthou Nani Singh, Leisangthou Jugia Singh, Leisangthou Gourashand Singh, Ningonban Angayyaim Singh and Leisangthou Tumbu Singh of Leisangthou Basti and Aon Sajao Singh of Khokma and other villagers are witnesses.

2. That some of the village elders took exception to the conduct of the respondent and his agents. So R.K. Ichomson Singh, Leisangthou Sajao Singh, Thynjam Aber Singh, R.K. Yaphom Singh, R.K. Matsum Singh, Leisangthou Maipuk Singh and Leisangthou the Singh of Thoubai Leisangthou filed a petition No. 4025 dated 2-4-48 to challenge the election of the respondent and his agents for offering bribe. The case may kindly be called for your kind reference.

3. That a large number of voters who would vote for the petitioner voted for the respondent or refrained from voting. But for the votes obtained for the respondent at the Leisangthou Polling Station, by corrupt practices, your humble petitioner could have obtained a majority of valid votes.

That your humble petitioner has deposited a sum of Rs. two hundred to the State.

Therefore your humble petitioner prays :-

That the election of the respondent be set aside and declared void.

1. Details of the petition by awarded and the respondent and his agents Kaiman Ibomcha Singh, Iron Angou Singh, Naidon Thambou Singh, Naidon Angangyaim Singh, Theodon Ibomcha Singh Choudhri and Leisangthou Ibomcha Singh who are voters be declared disqualified.

To
The Chairman, Election Tribunal,
Manipur State.

Election petition No. of 1948.

To challenge an election of No. 16 Nambol
Constituency of Manipur State Legislative
Assembly.

Mutum Amutombi Singh of Oumam,.....
Candidate..... Petitioner.

Versus

Ayekpam Angahal Singh of Nambol Kung-
kham..... Candidate... Respondent.

The humble petition of the petitioner,
aforesaid, must respectfully sheweth,

1. (a) Your honour's humble petitioner
is a candidate for election to the Manipur
State Legislative Assembly and is entitled
to file a petition under the law vote Rule
No. 47 (ii) of the Manipur State Election
Rules, 1948.

(b) That the election for the said consti-
tuency was held on 23rd and 24th June,
1948, the counting of votes was done on
the 6th July 1948 with the following
result:—

1. Mutum Amutombi Singh	1423	Votes	Total No of ballots issued 3841.
2. Ayekpam Angahal Singh	1659	"	
3. Lalaram Phalmani Singh	673	"	
4. Total No. of ballots spoiled	3		
Total... 3841			

2. That your humble petitioner asserts
that the election of the respondent is void
and is liable to be set aside and disquali-
fied on the following grounds:—

(I) That the respondent who is a
candidate of the aforesaid constituency com-
mitted the corrupt practice of removing of
a voting paper from the polling station
during the polling hours. On 23rd June at
about 4.30 P. M. the respondent entered
the polling compartment to cast his vote.
The suspicion of the Presiding Officer
was aroused when the respondent delayed
in the room unduly and the sound of moving
ballot box was heard. At that very moment
the Presiding Officer entered the polling
compartment and caught the respondent
with ballot No. 673 which was not issued
to him in his possession.

(II) That the plea of the respon-
dent when he was questioned by the Pre-
siding Officer in the Polling Station that
he found the ballot lying on the floor and
he was to put it in his box, is not tenable
as he (respondent) delayed much longer
than what will be required for putting in
the ballot issued to him and the other
which was in his possession, and the voting
paper in his possession is said to be less
by about 200 numbers than one issued to
him, many voters had cast their votes for
more than two hours or so and the Pre-
siding Officer also entered the polling room
at times to see if anything was wrong, the
voting paper in question which was alleged
to have lying on the floor could not be
passed unnoticed.

(III) That there is every reason to
believe that the respondent connived at
the removal of many voting papers from
the polling station and the respondent took
those voting papers with him while he
entered the polling station to cast his vote.
As the respondent had to put in many
voting papers, he had to remain in the
polling room for more than what was re-
quired in the ordinary course and was
caught by the Presiding Officer while he
(respondent) was trying to put in the last
ballot. The Presiding Officer had already

reported about the matter to the Returning Officer.

2. Whether your humble petitioner prays :—

(i) that the election of the respondent be set aside and declared void.

(ii) The petitioner be declared duly elected member for Naxal constituency of Manipur State, Legislative Assembly.

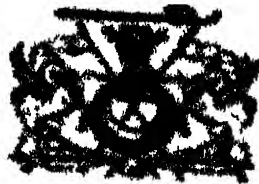

(iii) Cost of the petition be awarded and that the respondent may be declared disqualified.

Office of the Chairman Election Tribunal M.S.
Election Case No. 11 of 1948-49.
(the exact copy of the petition filed by the
petitioner in the aforesaid case)

Imphal,
The 19th August, 1948

To
The Tribunal, Manipur State Assembly
Election, 1948.

Dwijamani Dev Sarma }
Principal, D. M. College } Petitioners
A. Bhagohai Singh, Sagolband }

Returning Officer M. R. A. }
Election, 1948. } Respondents
Ch. Pink Singh, Head }
Master, C. C. School }

The humble petition of the petitioners
whose names are subscribed.

respectfully sheweth.

1. The petitioners state that the last
election for Education was held on 13-4-48
and that the R. O. returned Respt. No. 2
as being duly elected.

2. The petitioners state that they were
candidates for education and claim to have
been returned at the above election, had
there been no breach of rules and constitu-
tional procedure as shown under —

(a) The nomination of peti. No. 2 was
accepted by R. O. on the date of scrutiny.
There his nomination was rejected by the
tribunal and then again allowed. There is
no provision for the R. O. to make an

appeal to the Tribunal. The position of
peti. No. 2 should have been left as it was
on the date of nomination without the irregula-
rities in connection with the nomination.

(b) The Tribunal passed their second
order on 7-6-48 whereas the actual election
took place on 11-6-48. The R. O. and the
Tribunal should have made arrangements
to postpone the election so as to allow at
least 10 days time before the election.

(c) Petition No. 2 did not get suffi-
cient time for arrangement of his works.
Peti. No. 1's election campaign was totally
upset on account of the final acceptance
of Peti. No. 2's nomination on the 7-6-48.
Peti. No. 1 received this news only 1 day
before polling. Had Peti. No. 2 been in
the field all along, Peti. No. 1 would
have planned his campaign otherwise.

3. The inhabitants of some parts of the
hills were enumerated after the election
for Education, thus they were deprived
of their rights of voting. To hold an election
before the enumeration of voters is complete
is highly unconstitutional and irregular.

Wherefore the petitioners state that the
result of the election was materially affected
and therefore pray that the election of
Respt. No. 2 be declared as void and
further that a re-election for Education be
ordered with the removal of all irregula-
rities and fresh revision of electoral rolls.

Sd Dwijamani Dev Sarma.

OFFICE OF THE CHIEF ELECTION TRIBUNAL, MANIPUR STATE.

Election Case No.15 of 1948-49.

(The exact copy of the petition filed by the plaintiff)

To

The Chairman, Election Tribunal, Manipur State Assembly Election, 1948.

(1) P. Tsuljallen of N.T.S. Maxwell-Bazar, Imphal.

(2) Thanghai, Imbungkane, Imphal. Plaintiffs.

(1) Tsanthen, the Forest Minister & a candidate.

Verdict:-

(2) C.O., Head-Master and second-Master of Thanlon Outpost and Rev. Lalthanliana (Lushai) and Mungachin of Churachandpur Mission etc. Respondents.

The humble petition of the plaintiffs, candidates of Nanship Constituency No.15 to disqualify the respondent No.1 for N.L.A. for the serious corrupt-practices done by him and his men in the N.L.A. Election, 1948 of the said constituency- and for taking up proper action on the respondents concerned - Election Rule Nos.40 41 and 42 and State Gazette N.No.8375-S(c)'48.

1. That No.1 respondent promised to "Lo" or "Yo" community voters, the restoration of the Chaklaphai area to them, the State Reserve Area, if they give votes for him for N.L.A., giving hope of making an uncertain future certain in an all-in-all manner-E.R. No.40(1).
2. That No.1 respondent and his Agents promised to the voters of the said constituency, the abolition of the chief's customary-rights vis SALIANG & TANGHEU etc. in order to induce them to vote for him, making an uncertain future certain in an all-in-all manner and minister tone-E.R.No.40 and 42.
3. That No.2 respondents, State Government Officers of Thanlon Outpost and Mission leaders of Churachandpur committed undue influences on the voters of the constituency by sending written correspondence in the form of Notices and orders (the true copies attached herewith) to the chiefs-upon challenge of the State E.R.No.42(i) and (ii) and State Gazette Memo No.8375-S(c)'48.
4. That the Presiding Officer himself was canvassing for the respondent No.1, on the former's way to the polling station and Mungachin and Kungachin the agents of the respondent No.1 canvassed not to give vote for non-Christian-E.R.40(1) and No.42(1) & (ii) and State Gazette N.No.8375-S(c)'48.
5. That No.2 plaintiff's ballot box of Kaila was found unlocked at Imphal at the time of counting. The Returning Officer witnessed it- corrupt-practice vide E.R.No.42 and State Gazette N. No.8375-S(c)'48.
6. That the said C.O. respondent No.2 enforced to some of the voters of Kaila, the duty of imposed Baggers, which had been abolished by the Government in order not to vote or miss the time of voting for the plaintiffs-P P.No.40(ii).
7. That by means of a preconsultation with respondent No.1 and his Agents, the Presiding Officer of Panglian, the Head-Master of New-Churachandpur U.P.School must have a complete before-hand knowledge of the villages which should be in favour of the plaintiffs, as is evident from the fact that even slight-differences in the spellings of the voters' names were strictly observed in order to did-allow the voters to vote in respect of villages which should be in favour of the plaintiffs disregarding Election Rule No.22(ii) and that the discrepancies in the voters' names were connived at in respect of villages which should be in favour of the respondent No.1.
8. That in "THUKHAKHA" magazine, the head missionaries viz. Lalthanliana and Mungachin published very effective notes in favour of respondent No.1 a christian in a tone of orders and command to the voters of Nanship constituency as follows:- "Don't give vote for any one who is not a leader of 1947 and the name of the candidate for whom votes should be given will be published later on" and in fact they recommended respondent No.1 as the best Paito overborn vide their pamphlets attached herewith-E.R. Nos 42 and 43.
9. That No.1 respondent, the Forest-Minister and a christian has a great contact with and influence over the C.O. and the other No.2 respondents by virtue of official rank on the one hand, and must have great connection with missionaries by virtue of their common religion on the other-hand. As officers and C.O. religionists-birds of the same feather -they did great blunders openly and secretly in defiance of the State Election Rules and Laws of the State as well in order to bring about their desired results greatly affecting the plaintiffs in getting the majority votes. They were not giving the true weight of respondent No.1. Really speaking they should not be allowed to commit such corrupt-practices without any private voice from the high court, Mr. Tsanthen respondent No.1.

. That at a legal polling-station, the actual number of voters present on both days were only 200 (two-hundred) as were well marked and recorded by the agents of the plaintiffs while the number of ballot papers found at the time of counting were 313 (three hundred and thirteen). This difference 113 (three-hundred and thirteen) were ready casted in spite of the checking by the plaintiffs' Agents and their timely reports to the Presiding Officer who willingly turned a deaf ear to whatever reasonable reports.

. That if it is not that candidates are not set free with chance of adopting any sort of corrupt practice to come up to the popular Assembly, it was quite a pitiable & unfortunate matter that the plaintiffs in strict obedience to the Election Rules, were competing and contesting with the respondent No.1, the former minister and M.A. who was standing illegally and unconstitutionally helped by illegal and unconstitutional high officers and missionaries. In the hills where opinion or words of even the Lama and low officers are greatly respected by the innocent and ignorant peoples what could be the effect when the respondent No.1, the C.O. and the Head Masters etc. were lecturing and sending written orders like so many failures.

. That by nature of the criminal offences and corrupt-practices so bravely exercised by the No.2 respondents openly, secretly and in writing, these cannot but be termed as done through the connivance of respondent No.1 and his agents. In the absence of such horrible corrupt practices on the part of the respondent, either of the plaintiffs should have got majority of votes in a pure popular election - not such false election.

. That, proper witnesses, evidences and proofs in respect of each item will be furnished as required by the Tribunal please.

In the circumstances, the plaintiffs pray that the return of the respondent No.1 to the M.S. Assembly be made null and void in the true interest and welfare of the state.

Yours obediently,

Most respectfully sheweth,

That the respondent has been elected from the No. 14 Waikhong Constituency in the last Manipur State Election for Manipur State Assembly. He has got his votes by doing and using corrupt practice. Vs.

L. Achou Singh of Parompat... do Repdt.

A claim for disqualifying the
Repdt. from the candidature
of an M. L. A. for the following
reasons.

That on 30-6-48 at the polling station No. 55 Kongba Matlai Mayek School for some unspeakable offences Repdt.'s Agent named Surendra Sarma of Bramhapur was turned out of the polling office by the Presiding officer and one T. Mansobi Sarma of the same village would have been remanded to civil custody unless a bailor was not presented there for him (personator), vide Presiding officer's report of the day. In this connection the Piffa. have to point out that the Repdt. was fully responsible and was justifiable to be guilty of offence for the following reasons.

- I. The personated voter was an intimate and devoted friend of the Repdt.
- II. After a talk between the two friends (Repdt. and the personator) in the recruiting office of the Repdt. the case arose in the polling office, as a result of instigation by the Repdt.

III. Repdt. remained still until he (Repdt.) personally arranged to appoint another agent in place of the one who was turned out by the Presiding officer for his offence.

IV. There is benefit of doubt that the agent might have been hood-winked and induced by the Repdt. to support the personator as is evident from the strong and repeated insistence of the Agent that the personator was the real and genuine voter and also from the fact that there was a talk between the Repdt. and the personator as is referred above just a little before the commitment of the personation case.

V. Whether through connivance or otherwise the Piffa. presume that in accordance with the spirit of elective matter, in any case, as the Repdt. man (the agent who is properly constituted by the Repdt. himself and the personator an intimate friend of the repdt.) committed the offence the Repdt. is fully responsible for this act.

For the above reasons the Piffa. claim that the Repdt. intentionally caused the foul play and is so justifiable to disqualify him from the candidature of an M. L. A. and a regular re-election be effected for this constituency No. 36 Wangkhei.

The humble petition of the

 corrupt practices and undue in-
 fluence exercised by the Hange-
 dents, vide H. R. Nos. 40, 41, 4
 and the State Gazette N. S.
 8376-B(c) * 42.

1. That Receipt No. 1, was a Consent document and as such had done his duty as a Judge in regard to election dispute, and after that Receipt No. 1, himself was a Candidate against any constitution.

2. That on the morning of the 2nd June '46, Respondt. No. 2 and No. 3 took the plaintiff and Mangkholbong of Lambu line by Jeep to the Military Cemetery and then to Respondt. No. one's Bungalow and persuaded the plaintiff to withdraw his candidature with the promise that the plaintiff would be appointed as a clerk as reward of his withdrawal, through the recommendation for War Service by Respondt. No. 1-E. R. No. 40 (II).

3. That taking double advantage of the ignorance of the Hill People and their high Govt. posts, Respdt. No. 1, and 3 called without any official duty several public meetings within Sadar constituency canvassing thereby in favour of Respdt. No. 1. To the ignorant voter they said that Respdt. No. 1 is the only best man ever-born without whom the H. can never exist. With unconstitutional and illegal decoy and back-bite, they ordered on the strength of their high posts to give votes for the plaintiff, which is quite against any existing law of any kind. E. R. Nos. 40, 43 and the State Gazette.

4. That on the eve of the Election Recepta. No. 1 and 2 induced his sometime servant, Paokhouah of Hongkong and Recept No. 4, to canvass to the voters of the constituency the certainty of War Compensation for the voters if they give vote for Recept. No. 1, and to say that compensation money is in the hand or at the disposal of Recept. No. 1. It was also made to believe wrongly that Recept. No. 1's becoming the Chief Minister would be

as sure as rising the sun in the east and that those who do not vote for Resptt. No. 1, will be in trouble thereby. "When Resptt. No. 1, becomes the Chief Minister, he would give the lands of those who do not vote for him to others", they said. It was also threatened that those who do not vote for Resptt. No. 1, would be easily detected.—E. R. No. 42, intimidation.

5. That a pamphlet with Resptt. No. 1's name and designations was circulated saying that if the Hill Peoples do not like the destruction of the hill trees and the abolition of the customs and rights of Hills, they had to vote for Resptt. No. 1 as he stands for that ideal.—E. R. No. 40

6. That a manifesto without any signature and created in a very cunning and seditious manner was found in Lalthaitong's hand, one of resptt. No. one's agents. It was written that resptt. No. 1 was the leader of an organization called United Hill Organization which was not in existence then. And that the Organization stood for ten objects—E. R. No. 42 (deception)

7. That one writing also was found from Lalthaitong saying that Lalthaitong, Mangkhothang, Thangkhopao, Seial and Lamkhothang were in favour of resptt. No. 1 and that these Government officers and gentlemen were behind Resptt. No. 1.—E. R. No. 42 and the State Gazette M No. 5376-8(c) 48.

8. That a claim regarding the Polling at Ningen for permitting the people who could not come in time due to flood to vote on the following day, had been made to the Returning Officer and Election Tribunal.

9. That proper and suitable evidences proofs, witnesses and materials will be supplied at the time of hearing.

In the circumstances the prayer is that the Election of resptt. No. 1 should be declared null and void for all the above mentioned facts and reasons.

Election case no. 18 of 1948-49.

(The exact copy of the petition filed by the plaintiff)

The Chairman, Election Tribunal Manipur State, '48.

G.S. Khaiyar of Mungghar, a Candidate of Constituency No. 6Plaintiff.

M.K. Shihway of Ukhrul, a Candidate of same Constituency.....Respondent.

FACTS:—

(a) Rasput influenced Laramu of Tusem Khunou to give votes of the latter's village for him (Rasput.)

(b) C.O. Ukhrul with his official influence and authority made the villages Nuichu, Chingai, Wabong, Challeu, Luchai Khulen vote for Rasput.

(c) Manganlang as Clerk & Chinachin Circle Bench Member forced Kuibung of Tusem Khulen signed for, on behalf of his village to vote for Rasput.

(d) Languala of Nuining vote in place of Luchai & Hall No. 3647.

That Rasput called Laramu of Tusem Khunou to the former's residence and told the latter that the neighbouring villages of Poi, Tusem Khunou, Wabong and Challeu Khulen had already signed to vote for Rasput. It would not be wise for the latter's village to vote for Rasput, and insisted upon and made the latter sign for his village.

(a). The Circle Officer of Ukhrul insisted upon the Headman and Elders of Nuichu village, Chingai, Wabong and Challeu Khulen to sign in the Court as a promise that the people of the said villages would give votes for Rasput, and a copy of their statement in a public meeting of 405 village-representatives of 110 villages (attendance) at Talloi village is attached herewith. This act is under official influence and compulsion, E.R.No.42. It is also requested the Tribunal would enquire Saphai, Secretary of public meeting of 19-20th August, '48 held at Talloi for verification of the statements attached.

(b) A separate statement of the elders of Nuichu village is also attached, it shows clearly how the C.O. made the people vote for Rasput against the will of the rural public, E.R.No.42.

(c) Mingthing, Headman of Chingai village told L. Minghai, a candidate of the same constituency, that as the elders of Tusem Khulen & Khunou, Challeu Khulen Khunou were forced by C.O. Ukhrul to sign that their villages would not vote for L. (L.Minghai). E. R. No. 42.

Manganlang Case clerk & Chinachin Circle Bench Member forced Kuibung of Tusem Khulen to sign on behalf of his village to give votes for Rasput, in the C.O.'s office.

Languala whose name was not in the electoral roll was allowed to vote in place of Luchai, Hall No. 3647, breach of Election Rule No. 25. A note of protest was submitted then and there to the Presiding officer S. Chinachin of Mungghar Police Station.

Under the said circumstances the Election was indirect official appointment; thus prayer is that the election of Rasput should be declared null and void.

1. That the hole of the ballot box of Nambasi polling station was found opened or turned up Phaiant N.Q., this was witnessed by my own agent, Nganlun and Mr. Khunot, the head clerk of that N.Q., besides many other state servants. And the ballot box of Bengpa was found deformed and unsealed when it reached Phaiant. This was also witnessed by the same head clerk and head Lamsa Thangthohai, besides other state servants. The head clerk himself re-packed it with gum. These sorts of horrible offences of the respective presiding officers were already marked by the returning officer as witnessed at the time of counting-State Gazette N.No. 8374-S(O) '48 and E.R. 42.

2. That Respt. No. 1, himself told Thangthohun, Chief of Seljang and Lethouang, Chief of Thonang, that all voters of the said villages need not go to the polling station for casting their votes and that if they did so as leaving the unguard the villages behind, the properties of the village may be stolen or robbed off by thieves. 5. That the polling officer of Nambasi told the voters that the Names of Half of the voters of Malin-Khunon were not found in the Electoral Roll in the first day, but when he was informed of reporting the matter to the authority on the second day, he said that he had got the Electoral Roll which included all the names of voters by mail, after all voters had left for home- E.R. 42.

6. That presiding officers, polling officers and any of the agents of Respt. No. 1, did not report of improper matters of the two said polling boxes to the concerned authorities, showing thereby the intentional offences, of the reports.

7. That all these matters were timely reported to the Returning Officer by the plaintiff and his agents, which might please be referred to.

8. That most corrupted and effective cartoons were produced at the polling stations of said constituency by the Respt. No. 1, himself in a very seditious and cunning manner by making the "Elephant" the symbol of the plaintiff, a candidate of K.N.A. a target of the "Don" the symbol of Respt. No. 1, a candidate of L.T. showing thereby the cure and certain failure of the plaintiff in face with Respt. No. 1, in the recent election. It was not of regarding or devaluing K.N.A. and the plaintiff greatly influenced the public opinion in respect of voting as the plaintiff was made a hopeless figure before the public as an inferiority with Respt. THE ORDER PASSED BY THE ELECTION TRIBUNAL, MANIPUR STATE IN ELECTION CASE

No. 11 of 1948-49 on the 30th August, 1948 are as follows:-

petitioners present. They argue that the Returning Officer is joined a party because the reporter against petitioner no. 2 that the Tribunal ought reject his nomination and that it was the Returning Officer who violated the rule of giving 10 days to a candidate as provided under Rule 11 (d) of Manipur state Election Rules.

We have considered their points of argument. The present case being an election and the elected candidate being made a Respondent, the Returning Officer cannot be added to be a necessary party. The Returning Officer is a quasi-judicial officer and such he cannot necessarily be added a party in an election case. The Procedure adopted in India and England. So the entry of Returning Officer as a party is struck off and the Register is corrected. Inform the Returning Officer and the Respondent by notices. Publish the result in the Gazette. Sd. The 16th September, 1948.

NOTIFICATION No. 1 of 1948.

M. No. 106 P.XI-II. — It is hereby announced for general information of the people of the State that for want of certain fundamental rules of the Assembly which are to precede its calling and in view of certain objections from the Hill people as to their strong desire to have priority given to disposal of election petitions some time has elapsed since the publication of the result of the elections, but now as I do not contemplate delay I proclaim that I shall call the First Assembly Meeting of the Manipur State on the 18th October, 1948 at the Palace Darbar Hall. In the meantime I do wish to attach some measure of importance to the expeditious disposal of the election petitions of the Hill people as desired by them.

This gives adequate time for making necessary preparations and also to enable the Election Tribunal to dispose of election petitions as far as they can as aforesaid.

the 14th June 1948, from the Secy. to
the Government of India, Ministry of
Home Affairs, to All Provincial Govern-
ments, Chief Commissioners.

Use of the National flag of India.

I am directed to state that the Government of India have been considering for some time the question of restricting the use of the National Flag of India, while it was appropriate to use the Flag on all occasions during the struggle for freedom, it is felt that, now that freedom has been won, there should be well-defined regulations for the use of the Flag as is the practice in other countries. The Flag is the emblem of the nation and it is essential that it should not be brought into disrepute by unregulated use.

2. The Government of India have therefore framed rules in consultation with Provincial Governments and others for the display of the Flag. These rules are contained in the Annexure to this letter. I am to request that necessary steps may be taken to enforce compliance with these rules and that steps may also be taken to give wide publicity to them for the guidance of the public.

ANNEXURE

Rules for the display of the National Flag of India.

3. Display of the Flag on buildings.

(a) Normally the Flag should be flown only on Important Government buildings such as High Courts, Secretariats, Commissioners' offices, Collectorate, Jails and offices of the District Boards and Municipalities. It should also be flown on the residences of the Ministers (both Central and Provincial) and Chief Commissioners. The Governor General and Governors have special Flags of their own and they will continue to fly those flags on their residences.

(b) India's representatives in foreign countries and States should fly the flag on their residences.

(c) In frontier areas, the Flag may be flown at special places.

(d) Ruling Princes and Raj Pramukhs may also use the Flag on their residences, together with their own State Flags, if they so choose.

(e) The Use of the Flag by the Army, Navy and the Air Force will be governed by the special rules made for the purpose.

(f) On special occasions like the Independence Day celebrations, National Week, January 26, and Mahatma Gandhi's Birthday, as well as on any other particular day of National Rejoicing, the use of the Flag will be unrestricted.

DISPLAY OF THE FLAG ON CARS.

1. (a) The Flag may be flown on the cars of the Ministers and speakers, both Central and Provincial, Chief Commissioners and India's representatives in foreign countries and States.

(b) Ruling Princes and Raj Pramukhs may also use the Flag on their cars, together with their own State Flags if they so choose.

OFFICE OF THE CHAIRMAN, ELECTION TRIBUNAL, M. S.

Election Case No. 21 of 1948-49.

The exact copy of the petition filed by the plaintiff:

**The Chairman, Election Tribunal Manipur
State Assembly.**

**Sunkhohen Hachip Chief, A Chief and
of Churachandpur Constituency No. 11
of Nabl Village - Plaintiff**

V.

**Dangkhel Waphei, A Candidate of
the same Constituency of Jangkhel
Village at present Imphal
Hosel, Imphal - Defendant**

The humble petition of the plaintiff for disqualifying the Defendant for M. L. A. due to the criminal offences, breach of law & corrupt practices stated below, viz:—

1. That on the eve of election the plaintiff himself went to Nangkhoi, the Chief of Jangkhel village to offer him the entertainment and drink of the members of the village in order to induce them thereby to vote for the Defendant. In spite of unwillingness of the Chief to receive the money, the Defendant left the money in the hands of the Chief who therefore gave away to the men of his village without matter in drink. The villagers received money in drink and meat and thereby secured ten votes for the Defendant in consideration not of his competence but of money — E. R. No. 40.

2. That Nongkhong Waphei, Headman, the Polling Authority of Churachandpur Polling Station and closed relation of the Defendant, as well, compelled many voters of Koluma village namely Jangkhel & others to vote for the Defendant on capacity of his Head Leadership. E. R. No. 42 & State Gazette M. No. 8376-8-48.

3. That eight voters of Thangkhangphung were disallowed to cast their respective votes on the first day at Churachandpur Polling Station by the Presiding Officer on plea that the names of those eight

voters were not included in the electoral Roll of the Polling Office. In spite of the application of those eight voters for casting their votes as their names were really included in the Electoral Roll of Thangkhangphung village, the Presiding Officer & C. O. reported that their legitimate claims — E. R. No. 12 & the State Gazette mentioned above.

4. That the Defendant cheated the election authorities by increasing his age to 25 years in his nomination paper while he is aged only 17 years 2 months & 13 days on the 1st of Sept., 1948. Though this minor age of the Defendant could not be detected in due time, it is now quite clear from the school records for young a school boy coming up to the Assembly against the election rules should not be a danger to the Assembly.

5. That many voters who would be disqualified according to the Manipur State Naturalization Act of 1947 and Hill Officer Standing Order No. 7 of 24-2-47, were allowed to vote against the election Rules, which was reported of to the Chief Minister State Council on the 26th June, '48.

6. That the difference of ballot papers between the Defendant and the Plaintiff were only those in number including challenge votes and that the Plaintiff should get a comfortable majority of votes in the absence of the said corrupt practices and the criminal offences.

7. That other necessary witnesses, proofs and materials will be supplied at the time of hearing.

In the circumstances the prayer is that the Defendant should please be disqualified for M. L. A. in consideration of the undue influence, corrupt practices and criminal offences accordingly.

Dated Imphal,
the 1st Sept.
1948.

Sunkhohen

Abstract—The purpose of this study was to determine the effect of a 10-week training program on the heart rate (HR) and heart rate reserve (HRR) of sedentary middle-aged men. The subjects were divided into two groups: a control group and an exercise group. The exercise group performed a 10-week training program consisting of three sessions per week, each lasting 30 minutes. The control group did not exercise. The HR and HRR were measured at rest and during maximal exercise at the beginning and end of the 10-week period. The results showed that the exercise group had a significant decrease in HR and HRR at rest and during maximal exercise compared to the control group. The control group had no significant change in HR and HRR. The results suggest that a 10-week training program can improve the cardiovascular fitness of sedentary middle-aged men.

Abstract The purpose of this study was to determine the effect of a 12-week training program on the heart rate (HR) and blood pressure (BP) of sedentary, middle-aged men. The subjects were divided into two groups: a control group and an exercise group. The exercise group performed a 12-week training program consisting of three sessions per week, each lasting 30 minutes. The control group did not exercise. The HR and BP were measured at baseline and at the end of the 12-week period. The results showed that the exercise group had a significant decrease in both HR and BP compared to the control group. The HR decreased from 72 to 68 beats per minute, and the BP decreased from 120/80 to 110/70 mmHg. The control group showed no significant change in HR and BP. The study concluded that a 12-week training program can effectively reduce HR and BP in sedentary, middle-aged men.

Copy of letter No. 24 241-Poll dated 11-8-48 from Government of India, Ministry of Home Affairs with enclosures.

Subject:—Regulation of Communal Organisations.

I am directed to refer to the enclosed resolution, regarding the regulation of Communal organisations, passed by the Constituent Assembly of India (Legislative) at the

meeting held on the 3rd April, 1948, and to say that the Government of India have given careful consideration to the question of what steps, legislative and administrative, should be given to prevent communal organisations from engaging in activities other than those essential for the bona fide religious, cultural, social and educational needs of the community. As far as legislative action is concerned, it appears to the Government of India that it is difficult, for several reasons to draw at this stage a clear line between religious, cultural, social and educational activities (which may be termed non-political activities) on the one hand and other activities (which may be termed Political) on the other. The main reason is that the fundamental rights to be conferred by the new Constitution may render certain types of political activities justifiable even when they are pursued by a communal organisation. For instance, if some of the fundamental rights are in practice denied to members of a particular community in a particular area, then those members may justifiably organise themselves for the purpose of asserting those rights and getting the other communities to recognise them, but such an activity may well be regarded "Political" in the sense of not being "Essential for the bona fide religious, cultural, social and educational needs of the community". The Draft Constitution also recognises the communal element in respect of certain matters besides fundamental rights e.g. reservation of seats for minorities in the House of People and in the Legislative Assemblies of States, and special provision for the Anglo-Indian Community with respect to appointment to services and educational grants. It has accordingly been decided that the implementation of the resolution in the Legislative field should wait until the passing of the Constitution when it will be clearer to what extent "Political" activities of communal organisations will be justifiable on account of their close connection with fundamental rights and other provisions of the Constitution.

2. Meanwhile, as regards administrative action, the Government of India have decided that the following measures should be put into effect forthwith :-

- (a) No notice should be taken by Government and its officers, Local bodies, State aided institutions, etc., of petition or representations from communal organizations on political matters.

(b) Interviews should be limited to leaders of commercial organizations who wish to make representations on political matters. Delegation of such commercial organizations should not be received by any Minister or Officer of Government.

(e) No Government grant-in-aid or patronage in any form should be given to communal organizations which indulge in political activities.

3 I am to request that, if the provincial Government/ you see no objection, may be taken to give effect to the administrative measures decided upon.

Copy of regulation of communal organisations, passed by the Constituent Assembly of India (Legislative) at its meeting held on the 3rd April, 1948.

"Whereas it is essentially for the proper functioning of Democracy and the growth of National unity and solidarity that communalism should be eliminated from Indian life, this Assembly is of opinion that no communal organisation which by its constitution or by the exercise of discretionary power vested in any of its officers or organs, admits to or excluded from its membership persons on grounds of religion, race, caste, or any of these should be permitted to engage in any activities other than those essential for the bonafide religious, cultural, social and educational needs of the community, and that all steps, legislative and administrative, necessary to prevent such activities should be taken.

P. D. Singh,
Chief Minister

PART IV

Proceedings of the Manipur State Legislative Assembly 1946 on 25-11-46 at 10.00 hours at the Palace Durbar Hall

43 members were present

The Speaker was in the chair

The Speaker said that he had been elected as Speaker and at the same time he was one of the members of the Care-Taker Govt. He it was not fair for him to leave that Govt. till another Ministry came into being. All the same, as the meeting had already been called, there should be a chairman to be back the chair.

He then read out the Assembly Secretary's Notice No. 214 of 1946 which ran thus --

"All M. L. A.'s are requested to report any changes of address immediately to the Secretary of the Assembly."

He then asked the Honourable Members present to take any amendments to the Rules of Business when they wanted to move before reading out the Rules of Business.

Mr. L. Hangy supported by Mr. Manabhai took the motion proposed to the effect that as copies of the Rules of Business had already been in the hands of members for a long time, they might be passed unanimously now.

Mr. Somendra Singh (Mover) was great busy in the course of 1946 and duplicating the Rules of Business. It is better to read them clause by clause.

Mr. Gourchand— I support the amendment.

Mr. M. Madhumangai Singh seconded by Mr. A. Gourchand Singh tabled an amendment to the effect that the Rules of Business be first translated into Manipuri, the translated copies be circulated among M. L. A's and then the rules be passed after discussion.

Speaker— This last amendment may be considered first. This may be put to the House.

Mr. Achon— Before putting the matter to the House I beg to say that this proposal is very good. But it will take a long time to the translation as the Rules of Business are long. It will be thus a

hindrance to the work of the Assembly. I therefore propose that the Rules be read clause by clause.

Mr. L. Hangy— I beg leave to withdraw my proposal and support Mr. Achon's proposal.

The withdrawal was accepted.

Mr. Tumpot— I also beg leave to support this.

Mr. Madhumangai— I beg leave to withdraw my proposal.

Mr. Tumpot— This proposal cannot be withdrawn as this has become the property of the House, as debate on it has already begun. Such procedural irregularities not corrected from the beginning will create dangerous precedents. This is my point of order.

Speaker— The proposal cannot be withdrawn now. So this will be put to the House.

As even the mover did not vote for it, the motion fell through.

Speaker— Now as proposed by Mr. Somendra all the clauses of the Rules of Business (excluding the 4 clauses relating to the functions of Ministers, Election of Speaker and Deputy Speaker) will be read clause by clause.

The Speaker began reading. After the reading had proceeded for some time Mr. Khatling proposed that the reading be done by Mr. Somendra, the Chairman of the Select Committee responsible for drafting the Rules of Business. The Speaker agreed to it.

Mr. Somendra, Chairman of the Select Committee resumed reading from where the Speaker left off giving Manipuri translation for each clause.

Mr. Achon Singh pointed out to the speaker that the Rules were not being passed clause by clause as resolved. When the mover read upto Section 2 the Speaker asked him to stop.

Speaker— Has any Honourable Member to say anything against Sec. 2?

As nobody said anything against it, Sec. 2 was passed.

Speaker— Mover, please read the next section relating to HOUR OF SITTING.

Mr. Somendra read it.

Mr. Alimuddin—I request that no meeting held on Fridays as we observe many Islamic rites after Namaz.

Mr. Sulaiman—I support it.

Mr. Somwendra—When the Business Rules were drafted by the Select Committee was minutely considered. So on Fridays sittings will be held at 2 P. M. This is the case in the Assam Assembly where members belong to several communities. The timing laid down i. e. 2 P. M. has not been decided up on out of deference to Moslem sentiments. I do not see why there should be no meeting on Fridays.

The motion was put to the House. It was voted for Mr. Alimuddin's amendment and 16 against it.

The motion fell through.

Speaker—The timing laid down for sittings in the Business Rules is what obtains elsewhere. I hope there will be no unusual grievance, whatever on this score.

Mr. Suba—This arrangement was made a temporary basis to suit the convenience of the members who happen to be members of the Carr-Tabor G. V. School.

Mr. Jona—Should we retain or revise resolutions passed during the term of a President nominated by His Highness the Maharaja? If resolutions duly passed by the House are subject to revision with every change of the President then that could create a bad precedent.

Speaker—We will stick to the resolutions passed already. Any member to say anything regarding the HOUR OF SITTING, there was none. So it was passed.

The chairman, Sol. Comm. read now relating to TEMPORARY CHAIRMAN.

Speaker—Any member to say anything? There was none. So it was passed. The

Chairman, Sol. Comm. read POWER OF PERSONS PRESIDING under sec. 2.

Speaker—Any member to speak?

Mr. Botal—If for any reason the Speaker cannot perform his duties, which officer—the Dy Speaker or any member authorized by the Speaker will act for the Speaker.

Speaker—There is nothing inconsistent in this. Section 2 (a) covers Hon. Member's point of order.

It was passed.

The member read MEMBERS' PLACES under sec. 3.

Speaker—Any member to speak?

Mr. Kempa—If any member or any outsider sits in a wrong place what will be his punishment? If any such thing is to be added to check such cases it may be added here.

Mr. Somwendra—With the permission of the Speaker something regarding that is given in Appendix A of the Business Rules.

Mr. Achua—I propose that the section relating to QUORUM be put under some other heading and not under the heading MEMBERS' PLACE.

Speaker—The matter will be put to the House. No objection was raised. So the proposal was carried.

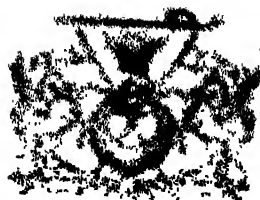

The Rules were rearranged as follows—
MEMBERS' PLACES, &c.

QUORUM OF THE ASSEMBLY, &c.

Both the sections (A) and (B) were passed. The House then adjourned until Friday next when the remainder of the Business Rules would be taken up.

T. C. Tishbam,

Speaker, Manipur State Legislative Assembly.
